Preliminary data:

- length of the elevations: 320m
- height of the building: 11,5m
- surface of the elevations: 3680m²
- surface of the storages: 1970m²
- surface of the offices : 3000m²
- total surface of the building: 5000m²
- surface of the site: 8000m²

propositlon

concrete & fiber concete tiling elements (big scale)

cost : 150-250Eur/m2

total : 550 - 920 000Eur

propositlon

HPL systems

cost : 150-250Eur/m2

total : 550 - 920 000Eur

propositlon

aluminium + glass systems

cost : 150-250Eur/m2

total : 550 - 920 000Eur

propositlon
zinc facades sysytems

cost : 150-250Eur/m2
total : 550 - 920 000Eur

propositlon

ceramic tiling elements (big scale)

cost : 150-250Eur/m2

total : 550 - 920 000Eur

proposltion

ceramic tiling elements (small scale)

cost : 150-250Eur/m2

total : 550 - 920 000Eur

propositlon
green wall systems

cost : 500-850Eur/m2
total : 1.8 - 3.2 mln Eur

propositlon

corten steel elements

RUUKKI Polska, ME Polska , ABRASERVICE Polska

cost : 150-250Eur/m2

total : 550 - 920 000Eur

proposition

building extension of upper levels

*additional surface
cost of constructions*

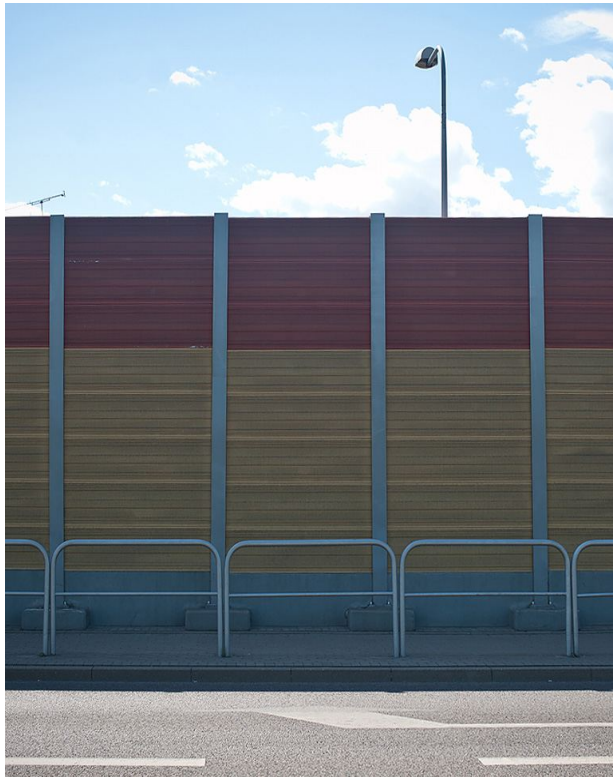

full level extension
2700m²
2,4-2,8mln Eur

full two levels extension
5400m²
3,8-5,0mln Eur

part level extension
1600m²
1,5-1,8mln Eur

two levels part extension
3200m²
2,2-3,0mln Eur

for better visual identification of the building in the city landscape

proposltion

exchanging type of the noise barriers

*length of the screen
cost of constructions*

variant minimum

*200-250m
3,8-5,0mln Eur*

variant maximum

*700-800m2
3,8-5,0mln Eur*
